

Courtesy Listing of Medical Treatment Resources

To our Guests:

In response to frequent guest inquiries as to availability of medical services such as physician “house calls”, hospitals and other such resources within the local area, the Hilton Anaheim has compiled the following list of practitioners and facilities who have indicated a willingness to be of service to our guests who become ill while traveling. **While we are pleased to offer this listing, as a courtesy to our guests, the Hilton Anaheim does not recommend or endorse, nor make any representation of claim regarding any practitioner, organization, or facility included on this list as to competency, skill, or quality of care, or in any other matter whatsoever.**

Should you not find a medical practitioner or facility on this listing with whom or which you are comfortable, please consult the listing under “physicians” and/or “hospitals” in the Yellow Pages Directory available in your guest room.

**PLEASE NOTE:** All financial arrangements for medical services are between the guest/patient and the medical practitioner or medical facility chosen to render the required service. Charges for medical services cannot be charged on your Hotel bill.
