

## EDIT ROOM RULES AND PROCEDURES

15 min

ALL SUPERVISED EDITS: YOU MUST REPORT TO THE EDIT ROOM WITHIN 15 MINUTES OF YOUR SCHEDULED EDIT TIME. IF YOU DON'T SHOW UP WITHIN 15 MINUTES, YOUR ENTRY WILL BE DOCKED "FOLLOW DIRECTIONS" POINTS AND YOU WILL **NOT** PLACE.

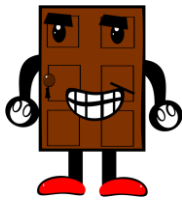

No internet. No browsing, searching, messaging, or using sharing apps such as google docs.

No cell phones in use. Turn it off, put it away. Cell phones may only be used as part of your production. Misuse will result in loss of points or disqualification.

No leaving the Edit Room unless you have a bathroom emergency. Check with the Door Proctor for permission. You will be required to leave your cell phone and STN badge.

No leaving the Edit Room for missing or new equipment. If you have an equipment emergency, check with the Editing Proctor for permission to call a friend for equipment replacement. You may be denied. Better to be prepared with backup equipment.

All music provided on STN flash drives is the only music permissible to use in any contest. (Excluding Crazy 8s.) Each contest has its own music.

Your timeline should be clean when you enter the Edit Room. The Edit Patrol may disqualify you if there is any evidence of cheating. Their decision is final.

**All contest entries must be submitted by the deadline at the Contest Booth. No late entries will be accepted.**
