

# FEATURES

## ONLINE TV NETWORK:

Live and on-demand content, photo galleries, downloads and widgets.

## PHENOMENAL RESULTS:

Case studies completed from coast to coast with schools utilizing our platform have reported increases in enrollment and National award recognition.

## MULTI-PLATFORM:

All content is viewable on any device with an internet connection: computers, tablets and mobile.

## CUSTOMIZABLE SECURITY:

Lock down content and broadcasts to specific audiences, such as teachers, parents or the community and allow students to access curriculum at home.

## UPGRADES & UPDATES:

As quickly as technology advances, as well as the needs of teachers and students, ESE Networks is constantly working to upgrade their technology.

## SUPPORT:

Access to entire ESE customer service team for training, 24/7 technical support, maintenance, upkeep and production.

## TURN-KEY EQUIPMENT PACKAGES AVAILABLE:

Our turn-key equipment packages can be customized to meet the needs of each school. A sample package, ideal for filming classroom content, includes an Extreme Encoding Workstation, HD camcorder, tablets, tripods, lenses, microphones and travel bags.
